

Welcome to BookExpo & Bookcon 2017

Dear Industry Colleague:

BookExpo and the Combined Book Exhibit welcome you to the 13th Annual Bookexpo/Bookcon New Title Showcase. We are proud to present a large selection of titles and publishers and the New Title Showcase is the perfect vehicle to bring some of those titles and publishers to your attention.

We are pleased that you have taken the time to visit this special exhibit that attracted thousands of attendees at this year's conference. We invite you to peruse the titles and publishers on display. For those publishers who do not have a booth on the show floor, this catalog provides you with their company contact and other relevant information so you can contact them after the show has ended.

We are also pleased to present an ebook display within the New Title Showcase. Attendees can review the ebooks on display with a look-inside feature.

Please take this catalog with our compliments, and keep it along with your BE/BC Show Directory as a record of what you saw, and whom you visited at the 2017 show. At the conclusion of show, this catalog will be available on the BookExpo Web site (www.Bookexpoamerica.com), and the Combined Book Exhibit web site (www.combinedbook.com) in pdf format. The titles will also be available on the New Title Showcase searchable database at www.NewTitleShowcase.com. Some of the titles included in the New Title Showcase database will have a "look inside the book" feature as well.

Once again, thank you for visiting this year's exhibit, and we hope you have a successful and rewarding experience at this year's show.
